Dear Neighbor,

We share a commitment to freedom, opportunity, and fiscal responsibility and have the ability to protect those values. For too long, low voter turnout has allowed just a few to make major decisions about our laws and legislators. And ironically, local and state governments have the greatest, most direct impact on our daily lives. For our children, for our taxes, for our security, for Illinois, for America. **You and your vote matter!**

Our communities deserve stronger fiscally conservative and common-sense legislative policies.:

Please vote Conservative Common-Sense Values! Save this letter and take to the polls as a guide.
